2023 Toyota Tundra

2023 Toyota Tundra Limited Hybrid CrewMax 4x4

Powerful, rugged, and crafted for both trail and highway — this 2023 Toyota Tundra Limited Hybrid CrewMax 4x4 with the TRD Off-Road Package and no reported accidents delivers a blend of strength, capability, and premium comfort. The advanced i-Force Max Hybrid powertrain combines a twin-turbo V6 with an electric motor and smooth automatic transmission, delivering strong torque and confident acceleration whether towing big trailers, hauling gear, or cruising long distances. The 4x4 system and TRD Off-Road enhancements — such as upgraded suspension components, off-road tuned dampers, and rugged styling cues — give added confidence, traction, and control when tackling dirt roads, trails, or rough terrain. Inside, the CrewMax cab offers generous space for passengers and cargo alike, with premium touches and modern tech that make long drives and everyday use more enjoyable. The Limited trim adds thoughtful convenience and comfort features, striking an excellent balance between upscale appointments and trail-ready functionality — making this Tundra a capable all-around full-size pickup.

i-Force Max Hybrid Powertrain — Strong torque, smooth acceleration, and improved efficiency

TRD Off-Road Package — Off-road suspension tuning and rugged capability

4x4 Drivetrain — Confident traction in varied weather and terrain

CrewMax Cab — Spacious interior with premium comfort and passenger room

Limited Trim — Upscale features and thoughtful convenience amenities

No Reported Accidents — Clean history for added peace of mind
