2023 Honda Pilot

NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

The 2023 Honda Pilot Black Edition brings bold styling, premium comfort, and family-ready versatility together in one standout SUV. With exclusive blacked out exterior accents, sleek wheels, and a commanding design, it delivers a refined yet aggressive look that sets it apart from the crowd.

Powered by a strong V6 engine, the Pilot offers smooth acceleration and confident performance for daily driving, road trips, and everything in between. The all wheel drive system adds extra control in changing road conditions, helping you stay confident through rain, snow, and rougher terrain. Despite its size, the Pilot feels composed and comfortable on the road.

Inside, the Black Edition trim adds a premium touch throughout the cabin. Leather seating with red accent stitching creates a sporty and upscale atmosphere, while heated and ventilated front seats keep you comfortable year round. The spacious three row layout offers plenty of room for passengers, with flexible seating and cargo space to fit busy family life or weekend adventures.

Technology is modern and easy to use. The large touchscreen infotainment system includes Apple CarPlay and Android Auto, along with navigation and a premium sound system that delivers crisp audio throughout the cabin. Wireless charging and multiple USB ports help keep everyone connected on the go.

Honda Sensing safety technology comes standard, offering features like adaptive cruise control, lane keeping assist, collision mitigation braking, and blind spot monitoring to help support driver awareness and confidence.

The 2023 Honda Pilot Black Edition is an ideal SUV for drivers who want bold style, advanced features, and everyday practicality without compromise.
