2023 Ford Super Duty F-350 DRW

The 2023 Ford Super Duty F-350 DRW XLT 4WD Crew Cab with an 8' Box is a powerhouse built to handle the toughest jobs with confidence and reliability. Designed for serious work and heavy-duty performance, this dual rear wheel truck delivers exceptional towing and payload capability, making it the perfect choice for hauling equipment, trailers, or tackling demanding job sites.

Under the hood, the F-350 is engineered for strength and durability, paired with a robust 4WD system that provides outstanding traction and control in all conditions—from job sites to highways and everything in between. With its dual rear wheel setup, you'll benefit from enhanced stability and confidence when carrying heavy loads or towing at higher capacities.

This Crew Cab configuration offers a spacious and practical interior with seating for up to six passengers, ensuring comfort for both driver and crew. The XLT trim strikes a perfect balance between functionality and comfort, featuring durable materials, modern styling, and essential technology to keep you connected and in control. Enjoy a user-friendly infotainment system, Bluetooth connectivity, multiple USB ports, and advanced driver-assist features designed to make every drive safer and more convenient.

With 147,442 km, this truck has been driven and proven, standing as a testament to Ford's legendary Super Duty durability and long-lasting performance. The 8-foot box provides maximum cargo space, making it ideal for transporting tools, materials, and gear without compromise.

On the exterior, the bold Super Duty design commands attention with its strong, purposeful stance, while practical features ensure it's ready to go to work whenever you are.

If you're looking for a dependable, heavy-duty truck that's ready to perform day in and day out, the 2023 Ford F-350 DRW XLT 4WD Crew Cab is built to exceed expectations.
