## 2024 Toyota Tundra

Experience the perfect blend of rugged capability and refined comfort in the 2024 Toyota Tundra Limited, designed for drivers who demand power and sophistication on every journey.

Built to conquer Canadian terrains, this Lunar Rock 4x4 Crew Cab pickup features a turbocharged V6 engine paired with a 10-speed automatic transmission, delivering impressive torque and smooth shifting for towing and off-road adventures. The brake-actuated limited-slip differential enhances traction, ensuring confidence on slippery or uneven surfaces. Inside, the cabin offers heated and cooled bucket seats with power adjustments and memory settings, providing tailored comfort whether you're navigating city streets or the backcountry. The panoramic sun/moonroof invites natural light, creating an open, airy atmosphere. Advanced safety technologies like blind spot monitoring, lane keeping assist, and front collision mitigation work seamlessly to protect you and your passengers. Convenience is elevated with remote engine start, keyless entry, and a navigation system integrated with smart device connectivity, keeping you connected and in control. Aluminum wheels, fog lamps, and LED headlights enhance both style and visibility, while the tow hitch and conventional spare tire ensure you're ready for work or play. The 2024 Toyota Tundra Limited is engineered to meet the demands of Canadian drivers who require strength, safety, and sophistication in one formidable package.
