2019 GMC Sierra 1500

Experience the power and versatility of the 2019 GMC Sierra 1500 Elevation, designed for drivers who demand capability, comfort, and advanced technology in every journey.

This Summit White Sierra 1500 Elevation combines rugged performance with refined features tailored for those who need a reliable workhorse and a comfortable daily driver. Powered by a robust 5.3L ECOTEC3 V8 engine with Dynamic Fuel Management, it delivers an impressive 355 horsepower and 383 lb-ft of torque, adapting cylinder use to balance power and fuel efficiency. The 8-speed automatic transmission and 4x4 drivetrain ensure confident handling on any terrain, whether navigating city streets or tackling off-road challenges.

Inside, the crew cab offers spacious cloth seating with a pass-through rear seat, perfect for passengers or gear. Keyless entry and remote engine start add convenience, while the back-up camera and Bluetooth connectivity keep you safe and connected. Heated mirrors and fog lamps enhance visibility in Canadian weather conditions. The Elevation trim's leather-wrapped steering wheel and steering wheel audio controls provide a touch of sophistication and ease of use.

With advanced safety features including multiple airbags, stability and traction control, tow hooks, and tire pressure monitoring, this Sierra 1500 is built to protect. Ideal for those who require strength, technology, and comfort in a capable pickup truck.
