2013 Ford Flex

2013 Ford Flex SEL AWD

Unique, spacious, and built for comfort, this 2013 Ford Flex SEL AWD stands out with its bold design and family-friendly versatility. It's powered by a 3.5L V6 engine producing 287 horsepower and 254 lb-ft of torque, paired with a smooth 6-speed automatic transmission and all-wheel drive for confident performance in all conditions. With strong power and a composed ride, the Flex offers a smooth and stable driving experience whether you're around town or on longer trips. Inside, the Flex delivers exceptional space and comfort with seating for up to seven passengers and a wide, roomy cabin layout. The SEL trim adds great features like power-adjustable seating, dual-zone climate control, Bluetooth connectivity, and a user-friendly infotainment system. With its flexible seating configurations and generous cargo space, the Flex is perfect for families, road trips, or anyone needing extra room without sacrificing comfort.
