2018 Ram ProMaster Cargo Van

Experience unmatched cargo capacity and reliable performance with this 2018 Ram ProMaster 1500 Cargo Van, designed for professionals who demand efficiency and versatility on the road.

Powered by a robust 3.6L Pentastar VVT V6 engine paired with a smooth 6-speed automatic transmission, this front-wheel-drive van delivers dependable power and excellent manoeuvrability, ideal for navigating urban streets and highways alike. Its full-size cargo area offers generous space to accommodate a wide range of tools, equipment, or deliveries, making it perfect for tradespeople, couriers, or small business owners. The Brake Actuated Limited Slip Differential enhances traction, providing added control in varying road conditions, while stability and traction control systems contribute to a safer driving experience. Practical features such as the third passenger door allow for easier access to the cargo area, streamlining loading and unloading tasks. The integrated back-up camera and tire pressure monitor support safer handling and maintenance, reducing downtime. Inside, Bluetooth connectivity and steering wheel audio controls keep you connected and focused, while keyless entry simplifies access during busy workdays. Finished in bright white, this van presents a clean, professional appearance that complements any business fleet. Reliable, spacious, and thoughtfully equipped, the Ram ProMaster 1500 is built to support your daily work demands with confidence.
