History

This X1 came to us when a new Dearborn Ford customer from out of town traded it in on a brand new F-150. It is a clean BC vehicle with 94,545 km on the clock, and the xDrive28i is one of the stronger configurations in the X1 lineup, pairing BMW's 2.0L TwinPower Turbo four-cylinder with full-time all-wheel drive and a well-rounded interior that includes a panoramic moonroof, heated front seats, and Apple CarPlay. If you are looking for a premium compact SUV at a sensible price with the driving feel BMW is known for, this one is worth a close look. The full Carfax report is available right on this listing and we are happy to walk you through it together.
