2023 Ford F-150

The 2023 Ford F-150 XLT 4x4 SuperCrew is built tough, designed to work hard, and ready to play even harder. With legendary capability, modern technology, and the comfort of a spacious cabin, it's the truck that can handle it all—on the job site or on the open road.

Under the hood, the F-150 XLT offers a powerful 3.5L V6, paired with a 10-speed automatic transmission. With four-wheel drive, impressive towing capacity, and advanced trailer technology, this truck is engineered to haul, tow, and conquer any task with confidence.

The bold exterior features the signature Ford grille, chrome accents, and durable 17-inch aluminum wheels. The SuperCrew cab ensures maximum passenger space, offering best-in-class rear legroom and seating for up to five adults in comfort.

Inside, you'll find a balance of practicality and convenience with premium cloth seating, an 8-inch SYNC® 4 touchscreen, Apple CarPlay® and Android Auto™, FordPass™ Connect with Wi-Fi hotspot, and plenty of storage solutions for tools or travel gear.

Safety and confidence come standard with Ford Co-Pilot360™, including pre-collision assist with automatic emergency braking, lane-keeping system, rearview camera with dynamic hitch assist, and available blind spot information system with cross-traffic alert.

Strong, versatile, and smart, the 2023 Ford F-150 XLT 4x4 SuperCrew is more than a truck—it's a trusted partner built to take on every challenge.
