2022 Hyundai Kona

The 2022 Hyundai Kona Preferred 2.0L AWD is a compact SUV that perfectly balances style, efficiency, and everyday versatility. Designed for drivers who want the practicality of an SUV in a size that's easy to live with, the Kona has earned a strong reputation for its reliability, modern features, and fun-to-drive personality. Whether you're navigating busy city streets, commuting to work, or heading out for a weekend adventure, this Kona Preferred delivers the confidence and comfort that make every drive enjoyable.

On the outside, the Kona stands out with its bold and distinctive styling. Its sharp LED lighting, sculpted body lines, and signature front grille create a modern and sporty look that instantly catches the eye. The elevated ride height and stylish alloy wheels give it the confident stance of a larger SUV while still maintaining the agility and maneuverability that make it perfect for urban driving and tight parking spaces.

Step inside the 2022 Hyundai Kona Preferred, and you'll find a thoughtfully designed cabin that blends comfort with practicality. The interior offers supportive seating, quality materials, and a layout that feels both intuitive and inviting. Heated front seats and a heated steering wheel add comfort during colder months, while the spacious front and rear seating areas ensure passengers can ride comfortably on longer journeys. The rear seats fold down easily to expand the cargo area, making it simple to accommodate groceries, luggage, or gear for a weekend getaway.

Technology plays a major role in making the Kona a pleasure to own. The user-friendly touchscreen infotainment system offers seamless smartphone integration with Apple CarPlay and Android Auto, allowing easy access to navigation, music, and messaging. Bluetooth connectivity, steering wheel-mounted controls, and multiple USB ports help keep everyone connected and entertained. Convenience features such as keyless entry, push-button start, and automatic climate control add an extra level of ease to your daily routine.

Under the hood, the efficient 2.0L engine delivers smooth and dependable performance, making the Kona both responsive and economical to drive. Paired with Hyundai's intelligent All-Wheel Drive system, it provides extra confidence in rain, snow, or changing road conditions. This capability, combined with the Kona's excellent fuel
