2016 Chevrolet Silverado 3500HD

Experience unmatched capability and comfort with the 2016 Chevrolet Silverado 3500HD LTZ Crew Cab Long Bed, designed for demanding Canadian work and adventure.

Built to handle the toughest jobs, this diesel-powered 8-cylinder powerhouse delivers exceptional torque and towing capacity, perfect for hauling heavy loads or towing trailers with confidence. The 6-speed electronically controlled automatic transmission and 4x4 drivetrain provide smooth, reliable performance across all terrains, while the locking limited-slip differential enhances traction in challenging conditions. Inside, the spacious crew cab offers premium leather seating with heated front seats and adjustable lumbar support, ensuring comfort during long hauls. Power-adjustable driver and passenger seats with memory settings tailor the cabin to your preferences. Advanced safety features such as stability control, integrated turn signal mirrors, tow hooks, and a comprehensive airbag system provide peace of mind on every journey. The back-up camera and keyless entry add convenience, while the auto-dimming rearview mirror and heated power-folding mirrors enhance visibility in adverse weather. Navigation via telematics and Bluetooth connectivity keep you connected and on course, supported by WiFi hotspot capabilities for seamless communication. Finished in Summit White, this Silverado 3500HD LTZ combines rugged durability with refined touches, making it the ideal partner for professionals who demand strength, reliability, and comfort in one formidable package.
