2020 Ram 1500

The 2020 Ram 1500 Sport is the perfect mix of bold style, modern tech, and serious capability. Built right here in Canada, this truck delivers the kind of muscle you expect from a Ram, paired with a premium, driver-focused interior that makes every drive a pleasure.

Under the hood, you'll find a 5.7-litre HEMI® V8 engine, producing 395 horsepower and 556 Nm of torque, matched to a smooth 8-speed automatic transmission. Whether you're towing, hauling, or just cruising, the Ram 1500 Sport handles it with confidence, offering impressive power while maintaining a composed, comfortable ride.

The Sport trim stands out with monochromatic body-colour bumpers and grille, 20-inch aluminum wheels, and a bold stance that turns heads. Inside, you get a well-appointed cabin with premium cloth and leather-trimmed seats, a 12-inch touchscreen Uconnect® infotainment system, Apple CarPlay® and Android Auto™, and a premium audio system for crisp, powerful sound.

With a spacious crew cab, there's room for everyone to ride in comfort, and smart storage solutions like the RamBox® Cargo Management System make it easy to keep gear organized. Advanced safety features, including a rearview camera, electronic stability control, and hill start assist, give you confidence whether you're on the job site or the open road.

Stylish, powerful, and built for life in Canada, the 2020 Ram 1500 Sport is more than just a truck—it's a statement.
