2024 GMC Sierra 1500

Experience the power and versatility of the 2024 GMC Sierra 1500 Elevation, designed for drivers who demand rugged capability and refined comfort in every journey.

This Onyx Black short box Crew Cab truck is powered by a robust Duramax 3.0L turbo-diesel inline-six engine delivering an impressive 305 horsepower and 495 lb-ft of torque, perfect for towing and hauling with confidence. The advanced 4x4 drivetrain with a locking limited-slip differential ensures superior traction and control across all terrains and weather conditions, making it ideal for Canadian landscapes. Safety is paramount with features like front collision mitigation, lane departure warning, and automatic high beams, providing peace of mind on every drive. The cabin offers heated front seats with driver lumbar adjustment, a heated steering wheel, and power driver seat for all-day comfort. Technology enhances convenience with a navigation system, WiFi hotspot, Bluetooth connectivity, and remote engine start, keeping you connected and ready to go. Aluminum wheels, fog lamps, and LED headlights combine style with function, while the tow hitch and tow hooks are ready for your next adventure or work project. The Sierra 1500 Elevation is the perfect companion for those who require toughness without sacrificing modern amenities and safety.
