## 2024 GMC Sierra 3500HD

### 2024 GMC Sierra 3500HD Denali 6.6L Duramax

Ultimate heavy-duty capability meets premium luxury in this 2024 GMC Sierra 3500HD Denali, a top-tier truck built for serious performance and refined comfort. It's powered by the updated 6.6L Duramax turbo-diesel V8 producing 470 horsepower and an incredible 975 lb-ft of torque, paired with a robust Allison 10-speed automatic transmission and 4WD for confident performance in all conditions. With massive low-end torque and smooth power delivery, this truck is engineered to handle demanding workloads with ease while maintaining a composed, confident ride. The Denali trim brings a fully loaded interior with high-end materials and advanced technology throughout. Inside, you'll find premium leather seating, heated and ventilated front seats, heated rear seats, a heated steering wheel, and a large 13.4-inch touchscreen infotainment system with Google built-in, Apple CarPlay, and Android Auto. A 12.3-inch digital driver display and Bose premium audio system add to the upscale experience, while signature Denali styling, chrome accents, and LED lighting give it a bold, commanding presence on the road.
