Experience confident all-season driving with the 2020 Chevrolet Traverse LS AWD, featuring a powerful V6 engine and spacious interior designed for Canadian families and adventurers alike.

This Satin Steel Metallic Chevrolet Traverse LS offers a smooth and responsive ride thanks to its 3.6L V6 engine delivering 310 horsepower paired with a 9-speed automatic transmission. The AWD system ensures excellent traction on slippery roads, making it ideal for navigating snowy winters or rugged terrain. Inside, the three-row seating comfortably accommodates up to eight passengers, with cloth upholstery providing durable comfort for daily commutes or weekend getaways. Stay connected and entertained on the go with Bluetooth integration and a WiFi hotspot, while the back-up camera enhances safety during parking and tight manoeuvres. Advanced safety features such as stability and traction control, multiple airbags, and child safety locks provide peace of mind for families. HID headlights and heated mirrors improve visibility in harsh weather conditions, and keyless entry adds convenience when loading gear or groceries. Whether heading to the cottage or school runs, this Traverse balances capability, comfort, and technology to meet the demands of an active lifestyle across Canada's diverse landscapes.
