2023 Hyundai Elantra

NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

Sharp design meets premium comfort in the 2023 Hyundai Elantra Luxury. This compact sedan stands out with bold styling, advanced technology, and upscale features that make every drive feel a little more refined.

On the outside, the Elantra features striking body lines, a wide front grille, LED lighting, and a sleek fastback inspired profile. It has a modern, eye catching look that gives it real presence on the road.

Under the hood, the efficient 2.0L 4 cylinder engine delivers smooth, dependable performance paired with a refined automatic transmission. The ride is comfortable and composed, making the Elantra an excellent choice for commuting, highway driving, or everyday errands.

Inside, the Luxury trim brings a premium feel to the cabin. Leather seating surfaces, heated front and rear seats and a heated steering wheel create a comfortable environment in every season. The interior layout is clean and modern, with impressive rear legroom and a spacious trunk for luggage, groceries, or daily essentials.

Technology is one of the Elantra's biggest strengths. Dual screens for the digital instrument cluster and infotainment system create a modern cockpit feel. Apple CarPlay and Android Auto keep you connected, while wireless charging and multiple USB ports add everyday convenience. A premium Bose audio system delivers crisp, rich sound throughout the cabin.

Safety is fully integrated with Hyundai SmartSense. Forward Collision Avoidance, Blind Spot Monitoring, Lane Keeping Assist, Adaptive Cruise Control, Rear Cross Traffic Alert, and a rear view camera all work together to support driver confidence.
