## 2023 Ram 1500

Bold styling meets proven capability in the 2023 Ram 1500 Sport. This full size pickup blends muscular design, strong performance, and everyday comfort into one confident package.

On the outside, the Sport trim stands out with body color bumpers, a performance hood, blacked out accents, and aggressive alloy wheels. It carries a clean, athletic look that separates it from traditional chrome heavy trucks while maintaining unmistakable Ram presence.

Under the hood, the available 5.7L HEMI V8 delivers up to 395 horsepower and 410 lb ft of torque, paired with a smooth 8 speed automatic transmission. Acceleration is strong and immediate, while the refined suspension keeps the ride composed and comfortable. When properly equipped, the Ram 1500 offers impressive towing capability, making it ready for trailers, boats, or job site demands. Four wheel drive adds extra confidence in tough conditions.

Inside, the Ram 1500 Sport offers one of the most refined cabins in its class. Leather seating, a power adjustable driver's seat, and thoughtful storage solutions make it both comfortable and practical. The Crew Cab configuration provides generous rear legroom, giving passengers plenty of space to relax.

Technology is front and center. The Uconnect touchscreen system supports Apple CarPlay and Android Auto for seamless connectivity. A digital driver information display keeps key vehicle data easy to read, while available premium audio enhances every drive.

Safety features help support confidence behind the wheel. Blind Spot Monitoring, Rear Cross Path Detection, Forward Collision Warning with Active Braking, Lane Keep Assist, and a rear view camera work together to enhance awareness in traffic and while towing.

Sporty, powerful, and refined, the 2023 Ram 1500 Sport delivers full size truck capability with a bold, modern edge. Book your test drive with Bannister GP Kia today!
