2014 Hyundai Tucson

If you're looking for a compact SUV that delivers proven reliability, confident all-weather capability, and exceptional value, the Hyundai Tucson is a smart choice that continues to impress. Built with practicality and durability in mind, this Tucson offers the versatility of an SUV with the efficiency and affordability today's drivers appreciate.

From the outside, the 2014 Tucson GLS presents a clean and timeless design. Its bold front grille, sculpted body lines, and confident stance give it a solid, capable presence on the road. The elevated ride height not only enhances visibility but also reinforces its SUV character, while alloy wheels and subtle chrome accents add a refined touch. It's a vehicle that looks right at home whether parked in the city or heading toward the mountains.

Step inside, and you'll find a thoughtfully designed cabin that balances comfort with functionality. The GLS trim enhances the experience with heated front seats, supportive cloth upholstery, and intuitive controls placed exactly where you need them. The spacious interior offers comfortable seating for five, with generous headroom and legroom for both front and rear passengers. A versatile cargo area provides ample room for groceries, sports equipment, or travel gear, and the split-folding rear seats allow you to expand storage space when needed. This is a vehicle built to adapt to your daily routine.

Under the hood, the 2.4L engine delivers confident and responsive performance. With strong acceleration for highway merging and passing, it provides the power you need while maintaining respectable fuel efficiency for its class. Paired with Hyundai's capable all-wheel-drive system, this Tucson offers enhanced traction and stability in rain, snow, and changing road conditions. Whether commuting year-round or heading out on weekend adventures, you'll appreciate the added confidence AWD brings.

Technology and convenience features make ownership easy and enjoyable. Bluetooth connectivity allows for hands-free calling and audio streaming, while steering wheel-mounted controls keep everything within reach. Air conditioning, power accessories, cruise control, and a user-friendly audio system ensure comfort on every drive. Everything is designed with simplicity and reliability in mind, making this Tucson easy to live with.

Safety has always been a priority for Hyundai, and this Tucson reflects that commitment. Equipped with electronic stability control, traction control, anti-lock brakes,
