2024 Chevrolet Silverado 3500HD

Get behind the wheel of our One Owner 2024 Chevrolet Silverado 3500 LT Crew Cab 4X4, which is massively capable in Gray! Motivated by a 6.6 Litre V8 offering 401hp to a 10 Speed Allison Automatic transmission with a Tow/Haul mode to help make pulling even easier. This Four Wheel Drive truck goes where the jobs are, thanks to an auto-locking rear differential and a 2-speed transfer case, and it has a bold spirit backed by rugged design. Our Silverado reports for duty with chrome bumpers, alloy wheels, EZ Lift power lock/release tailgate, power trailering mirrors, black recovery hooks, side/rear bed steps, and a trailer hitch.

Climb inside our LT cabin, which is impressively user-friendly, with comfortable cloth seats, a wrapped steering wheel, single-zone climate control, keyless access/ignition, cruise control, power accessories, and clever storage solutions. A 13.4-inch touchscreen and 12.3-inch driver display are standard to support wireless Android Auto®/Apple CarPlay®, WiFi compatibility, Bluetooth®, and a six-speaker audio system.

Chevrolet answers the call for intelligent safety with automatic braking, forward collision alert, an HD rearview camera, a following distance indicator, hitch guidance, a rear seat reminder, Stabilitrak stability/traction control, trailer sway control, hill start assistance, and more. Strong and strongly recommended, our Silverado 3500 LT is one terrific truck! To learn a bit more about this unit, you can chat to a live sales agent by clicking the speech bubble in the bottom right corner or call for availability. Our dedicated team would be delighted to guide you through our extensive inventory of both new and used vehicles at your convenience.
