History

If you have been looking for a performance SUV that does not ask you to choose between driving excitement and everyday practicality, this is the one. This Black 2023 Ford Explorer ST was traded in by a customer who came to Dearborn Ford looking for a straightforward and transparent buying experience, and they chose us for exactly that reason. With just 35,890 kilometres on the odometer, a 400-horsepower twin-turbocharged 3.0L EcoBoost under the hood, a panoramic sunroof overhead, and heated and cooled leather seats inside, this Explorer ST is the kind of SUV that makes the school run feel like something worth looking forward to. The full Carfax report is available right on this listing and we are happy to walk you through it together.

Condition

- Fully inspected with our 150-point process for peace of mind.
- Inspection performed by a Ford Master Technician.
- We check tires, brakes, seals, fluids, electrical systems, road test and more.
