## 2023 GMC Sierra 1500

This **2023 GMC Sierra 1500 Denali Crew Cab Short Box** combines premium comfort with impressive capability, making it an excellent choice for drivers who want a luxury pickup that can still handle work and towing. With **58,691 km**, this well-maintained truck offers strong performance, advanced technology, and the signature Denali styling.

Powered by a capable V8 engine paired with a **10-speed automatic transmission**, the Sierra delivers smooth power and confident performance. The Denali trim is known for its upscale design, and refined interior, while still offering impressive **towing capacity of up to about 9,200 lbs and payload capability around 2,000 lbs when properly equipped**.

Inside the spacious **Crew Cab**, you'll find a premium cabin with **leather seating, advanced infotainment with navigation and smartphone integration, heated and ventilated seats, and a premium sound system** designed to keep every drive comfortable and connected. Driver-assistance features such as lane assist, parking sensors, and a surround-view camera system help make towing, parking, and highway driving easier.

The **Short Box configuration** offers a great balance of cargo space and maneuverability, while the bold Denali exterior styling ensures this truck stands out wherever it goes.
