## 2024 Chevrolet Silverado 1500

Experience the perfect blend of rugged capability and refined comfort with the 2024 Chevrolet Silverado 1500 High Country Crew Cab Short Box, designed for demanding Canadian drivers.

This diesel-powered 4x4 truck features a turbocharged straight-six engine paired with a smooth 10-speed automatic transmission, delivering impressive torque and fuel efficiency for towing and hauling heavy loads with confidence. The High Country trim offers premium leather seating with heated and cooled front seats, power-adjustable driver and passenger seats with lumbar support, and seat memory for personalized comfort on every journey. Advanced safety technologies such as blind spot monitoring, lane keeping assist, front collision mitigation, and cross-traffic alert provide peace of mind on busy highways and rugged backroads alike. The innovative aerial view display system and rear parking aid simplify manoeuvring in tight spaces, while adaptive cruise control enhances long-distance driving ease. Outside, the sleek black exterior is complemented by aluminum wheels, running boards, and a durable bed liner, ready for work or weekend adventures. Additional conveniences include remote engine start, keyless entry and start, heated mirrors, and a premium sound system with smart device integration and WiFi hotspot capability. The Silverado 1500 High Country is engineered to meet the needs of those who demand strength, sophistication, and advanced technology in a full-size pickup.
