2025 Buick Enclave

*GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C

The 2025 Buick Enclave Avenir AWD represents the very best of modern luxury, combining elegant design, refined performance, and exceptional practicality in a premium three-row SUV that feels purpose-built for discerning drivers. From the moment you see it, the Enclave Avenir makes a lasting impression with its sculpted body lines, signature Avenir grille, sleek LED lighting, and confident stance. The sophisticated exterior styling strikes the perfect balance between upscale presence and everyday approachability, making it just as fitting for a night out as it is for daily family duties.

Step inside, and the Enclave Avenir welcomes you with a truly premium interior experience. The cabin is beautifully crafted with high-quality materials, refined finishes, and attention to detail you can see and feel. Plush seating, generous space across all three rows, and a quiet, well-insulated ride create a calm and comfortable environment for both driver and passengers. Whether you are commuting, road-tripping, or running errands, this SUV is designed to make every journey feel relaxed and refined.

Technology plays a central role in the Enclave Avenir's appeal. The advanced infotainment system is intuitive and responsive, offering seamless smartphone integration, navigation, and a premium audio experience that elevates every drive. Convenience features are thoughtfully integrated to simplify daily life, from easy-access controls to smart storage solutions that make hauling passengers and cargo effortless. The result is a vehicle that feels modern, connected, and tailored to real-world needs.

Under the hood, the Enclave Avenir delivers smooth, confident performance that prioritizes comfort without sacrificing capability. The AWD system provides enhanced traction and stability in all seasons, giving you peace of mind whether you are driving in rain, snow, or less-than-ideal road conditions. Power delivery is refined and responsive, making highway cruising effortless while maintaining competitive fuel efficiency for a vehicle in this class. It is an ideal balance of strength and efficiency, perfectly suited to long-term ownership.

Safety is a core strength of the 2025 Enclave Avenir, with advanced driver-assistance technologies designed to support awareness and confidence behind the wheel. These
