### AS-IS PRE-OWNED VEHICLE

This vehicle is part of our AS-TRADED inventory. Instead of sending this recent trade-in to a dealer auction, we are offering it to our retail customers first. This is a unique opportunity to purchase a vehicle exactly as it arrived.

The Wholesale Advantage:

- Unbeatable Pricing: Priced 30-50% below typical market value because we have not added any reconditioning costs.
- Raw & Uninspected: We have not performed a mechanical inspection. You are purchasing the vehicle in its original, untouched condition.
