## 2024 Kia EV6

Step into the future of driving with this 2024 Kia EV6 Land AWD, a bold and innovative all-electric SUV that delivers impressive performance, cutting-edge technology, and everyday practicality. With just 27,496 km and one previous owner, this low-kilometre pre-owned EV6 offers exceptional value for drivers looking to make the switch to electric without compromise. Its sleek, aerodynamic design, full LED taillight bar, and modern styling make a striking impression on the road.

Powered by a 77.4 kWh battery and producing an impressive 320 horsepower, this EV6 delivers smooth, instant acceleration and confident all-wheel drive capability for year-round driving. The quiet, refined ride is complemented by a premium, tech-forward interior featuring leather upholstery, heated and ventilated front seats, and heated rear seats for added passenger comfort. A dual 12.3-inch display setup with integrated navigation, Apple CarPlay, and Android Auto keeps you seamlessly connected, while advanced safety technologies like Forward Collision Avoidance Assist, Blind-Spot Collision Avoidance, Surround-View Monitor, and Highway Drive Assist provide added confidence on every journey.

This quality inspected vehicle has undergone a thorough professional inspection and reconditioning process at our Kia dealership, ensuring it meets the highest standards for performance, safety, and long-term ownership value. As a fully electric SUV, it also offers reduced maintenance costs and excellent efficiency, making it a smart investment for the future.

Don't miss your chance to own this advanced and stylish pre-owned Kia EV6 Land AWD. Contact us today to schedule your test drive and experience electric driving at its best.
