## 2023 GMC Savana Commercial Cutaway

Check out this **2023 GMC Savana 3500 Commercial Cutaway Cube Van with a 139" wheelbase** in **White**, a durable and highly capable **commercial cube van** built to handle demanding workloads, deliveries, and business operations with ease. Designed for reliability and versatility, this Savana is ready to support a wide range of commercial needs.

Built on a robust **3500 chassis**, this cutaway configuration delivers excellent payload capability and long-term durability. The **cube van body** provides a large, enclosed cargo area—perfect for transporting tools, equipment, inventory, or making deliveries efficiently and securely.

Inside, the cab is designed for practicality and long workdays, featuring **durable seating**, **air conditioning**, and a straightforward, driver-focused layout built for ease of use and comfort.

Technology highlights include **Bluetooth connectivity**, a **backup camera**, and essential driver controls, helping keep operators connected and confident throughout the workday.

Built for commercial capability, this Savana is equipped with **traction control**, **stability control**, and a **heavy-duty suspension**, providing stability and reliability under load and in varying road conditions.

This vehicle has passed a **comprehensive 150-point inspection**, ensuring it meets Bannister Chevrolet's high standards for **quality, reliability, and safety**.

Dealer Number: #50276
