Luxury meets effortless performance in the 2021 Lincoln Corsair Reserve, now enhanced with the sought after Elements Package. This compact luxury SUV delivers refined styling, a whisper quiet cabin, and smooth turbocharged power, all wrapped in a sleek, modern design that feels upscale from every angle.

On the outside, the Corsair features elegant body lines, a signature Lincoln grille, and refined chrome accents that give it a confident yet understated presence. It looks sophisticated without trying too hard.

Step inside and the Reserve trim truly stands out. Premium leather seating, heated and ventilated front seats, and a power adjustable driver's seat with memory settings create a first class experience. The Elements Package adds even more comfort with heated rear seats and a heated steering wheel, making cold mornings far more enjoyable for both driver and passengers. The cabin is thoughtfully designed with soft touch materials and a clean layout that feels calm and inviting. A sliding second row adds flexibility for cargo or passenger comfort.

Under the hood, the turbocharged engine delivers smooth, responsive acceleration while maintaining impressive efficiency. The ride is quiet and composed, with suspension tuning that prioritizes comfort. Available all wheel drive enhances confidence in changing road conditions, making it ideal for year round driving.

Technology is modern and intuitive. A large touchscreen infotainment system with navigation, Apple CarPlay, and Android Auto keeps you connected with ease. A premium Revel audio system provides rich, immersive sound, while a digital driver display presents key vehicle information clearly and elegantly.

Advanced safety features come standard. Adaptive Cruise Control, Blind Spot Monitoring, Lane Keeping Assist, Forward Collision Mitigation, and a rear view camera all work together to support confidence and peace of mind on every drive.
