## 2018 Ram ProMaster Cargo Van

Discover the 2018 Ram ProMaster 1500 Cargo Van – a reliable, spacious, and efficient workhorse designed to meet the demands of Canadian professionals on the go.

Powered by a robust 3.6L Pentastar VVT V6 engine paired with a smooth 6-speed automatic transmission, this front-wheel-drive van delivers dependable performance and impressive fuel efficiency. Its full-size cargo area offers ample room for tools, equipment, or deliveries, while the bright white exterior ensures visibility and a professional appearance on any job site. Safety is paramount, featuring advanced systems such as stability and traction control, brake assist, and multiple airbags to protect you during your busiest days. The integrated turn signal mirrors enhance road awareness, and the tire pressure monitoring system helps maintain optimal handling. Convenience is built in with keyless entry, a back-up camera for easier manoeuvring in tight spaces, and Bluetooth connectivity to keep you connected hands-free. Whether navigating urban streets or rural routes, the ProMaster's brake-actuated limited-slip differential provides added control in varying road conditions. With three doors including a third passenger door for quick access, this van adapts seamlessly to your workflow. For those who demand durability, versatility, and safety in a commercial vehicle, the 2018 Ram ProMaster 1500 is ready to support your business every kilometre of the way.
