2024 Chevrolet Silverado 2500HD

Experience commanding power and refined capability with the 2024 Chevrolet Silverado 2500HD High Country, designed for those who demand strength and sophistication in every drive.

This diesel-powered powerhouse boasts a Duramax 6.6L Turbo-Diesel V8 engine delivering an impressive 470 horsepower and a staggering 975 lb-ft of torque, perfect for heavy towing and hauling with confidence. The 10-speed automatic transmission paired with four-wheel drive and a locking limited-slip differential ensures optimal traction and control across all terrains and weather conditions, making it ideal for rugged Canadian landscapes.

Inside, the High Country trim offers premium leather bucket seats with heating, cooling, and adjustable lumbar support for both driver and passenger, ensuring comfort on long hauls or daily commutes. Advanced safety features like Blind Spot Monitoring, Lane Departure Warning, Front Collision Mitigation, and Cross-Traffic Alert provide peace of mind on busy highways and tight job sites. The innovative aerial view display system and rear parking aid simplify manoeuvring in challenging spaces.

Additional conveniences include remote engine start, keyless entry, power-folding heated mirrors with integrated turn signals, and a premium sound system that complements the sophisticated cabin. With a durable bed liner, running boards, and tow hooks, this Silverado 2500HD High Country is ready to tackle any task with style and confidence.
