## 2024 Chevrolet Silverado 2500HD

Take on any job with confidence in the powerful and refined **2024 Chevrolet Silverado 2500HD LT 4WD Crew Cab**, now available with just **15,012 KM**. Built for serious work and everyday comfort, this heavy-duty pickup delivers the strength you need with the modern features you want.

Under the hood, the Silverado 2500HD is equipped with a proven 6.6L V8 engine paired with a 10-speed automatic transmission, delivering an impressive **401 horsepower and 464 lb-ft of torque** for exceptional towing and hauling capability. Whether you're on the job site or towing your weekend toys, this truck is built to perform.

With **4WD capability** and a rugged suspension setup, you'll have the confidence to tackle tough terrain, harsh weather, and demanding workloads. When properly equipped, the Silverado 2500HD offers outstanding towing capability of up to **18,500 lbs**, making it a dependable partner for any heavy-duty task.

The bold exterior design features a commanding front grille, durable truck bed, and functional styling that reflects its hardworking nature. Step inside the spacious Crew Cab and you'll find a well-appointed interior designed for comfort and practicality, with seating for up to six and plenty of legroom for both driver and passengers.

Technology is front and center with a large touchscreen infotainment system, smartphone integration, Bluetooth® connectivity, and available advanced trailering technology to make towing easier than ever. Higher-end interior updates for the 2024 model year also bring a more refined cabin experience with enhanced materials and improved connectivity.

Safety is built in with advanced driver-assist features such as Forward Collision Alert, Lane Departure Warning, and a rear vision camera—helping you stay confident and in control on every drive.

With low kilometers and exceptional capability, this **2024 Silverado 2500HD LT 4WD Crew Cab** is ready to go to work when you are.
