## 2025 GMC Sierra 1500

### WE DELIVER ANYWHERE IN CANADA!

The 2025 GMC Sierra 1500 AT4 is built for drivers who want premium comfort with serious capability. Its bold stance, aggressive AT4 styling, and signature GMC grille give it a commanding presence on the road and off it. This truck is designed to handle tough terrain while still delivering a refined driving experience.

Under the hood, the Sierra AT4 delivers strong performance with the power and torque needed for towing, hauling, and everyday driving. The advanced 4WD system and off road tuned suspension give you added confidence on rough roads, trails, and changing weather conditions. It feels planted and capable, whether you are on the highway or deep into the backcountry.

Inside, the cabin blends rugged durability with upscale comfort. Premium materials, unique AT4 accents, and spacious seating create a refined atmosphere that still feels ready for work. Heated and ventilated front seats, a heated steering wheel, and dual zone climate control help keep you comfortable year round.

Technology is front and center with a large touchscreen infotainment system featuring Apple CarPlay and Android Auto integration. Multiple camera views, navigation, and advanced trailering technology make towing and maneuvering easier than ever. The premium sound system adds to the experience, delivering crisp audio wherever the road takes you.

The Sierra AT4 also offers impressive cargo and utility features. The versatile truck bed and MultiPro tailgate add flexibility for work, gear, and weekend adventures. Every detail is designed to make life easier and more capable.

Advanced safety features help support confidence behind the wheel with systems designed to assist with awareness, braking, and lane control during everyday driving.
