History

This Kona was traded in by new Dearborn Ford customers who picked it up locally and moved up to a newer pre-owned vehicle. It's a well-equipped Luxury trim with all-wheel drive and a sunroof, finished in a distinctive burnt orange that turns heads in a segment where most competitors play it safe with silver and grey. At this price point, the Luxury trim delivers a lot of feature content for the money. The full Carfax report is available right on this listing and we are happy to walk you through it together.
