2020 Nissan Rogue

This black 2020 Nissan Rogue SV AWD strikes a perfect balance between modern comfort, intelligent design, and reliable performance—making it an outstanding choice for drivers who need a capable, fuel-efficient, and versatile SUV. With just under 85,000 kilometers, this Rogue has been well cared for and offers plenty of life ahead, making it an excellent option for anyone looking for a dependable vehicle without sacrificing style or functionality.

Powered by a proven 2.5-liter 4-cylinder engine paired with Nissan’s Xtronic CVT (Continuously Variable Transmission), the 2020 Rogue delivers 170 horsepower and a smooth, confident ride. It’s engineered for efficiency and reliability, boasting fuel economy ratings around 9.6 L/100km in the city and 7.5 L/100km on the highway. Whether you’re navigating busy urban streets or cruising on long highway trips, this Rogue keeps fuel costs low while offering the flexibility of all-wheel drive. The intuitive AWD system monitors traction and road conditions in real time, delivering power to the wheels that need it most, making this SUV ready for everything from rain-soaked pavement to snowy back roads.

The SV trim level is where comfort meets practicality. On the outside, the Rogue carries a sleek, aerodynamic design complemented by a bold black finish, roof rails, 17-inch alloy wheels, and LED daytime running lights. It’s stylish enough to turn heads in the city, yet rugged enough to tackle weekend road trips with ease. The body lines are modern and refined, and the elevated stance gives drivers a confident view of the road ahead.

Step inside, and you’ll be welcomed by a thoughtfully designed cabin with generous space and features that make every drive more enjoyable. The power-adjustable driver’s seat, heated front seats, leather-wrapped steering wheel, and dual-zone automatic climate control provide everyday comfort, while the roomy back seat ensures passengers have plenty of legroom. Behind the seats, you’ll find a surprisingly spacious cargo area with Nissan’s signature Divide-N-Hide storage system, allowing for creative and secure storage options.

Connectivity and tech features are also strong points in the Rogue SV. It comes equipped with a 7-inch touchscreen infotainment system, Apple CarPlay, Android Auto, Bluetooth hands-free calling, USB inputs, and voice recognition. Whether you’re streaming music, navigating with your smartphone’s GPS, or taking calls on the go, the
