Command the road in style and confidence with this 2023 GMC Yukon XL AT4 4WD, a full-size SUV built for families who need space, capability, and premium comfort. With just 44,639 kms, this one-owner, accident-free Yukon XL offers exceptional value in a rugged yet refined package, finished in a striking white exterior with a bold black interior and exclusive AT4 badging.

Under the hood, the powerful 5.3L V8 engine delivers an impressive 355 horsepower, paired with a smooth 10-speed automatic transmission for confident acceleration and effortless highway cruising. The AT4's 4WD capability ensures you're ready for all road conditions, while its extended XL body provides outstanding cargo space and room for passengers. Inside, enjoy premium leather seating with heated and ventilated front seats, heated second-row seating, and tri-zone climate control to keep everyone comfortable on long drives.

Technology is front and center with a large 12-inch touchscreen infotainment system featuring Apple CarPlay and Android Auto, along with wireless charging for added convenience. Safety is equally impressive, with advanced features such as adaptive cruise control, automatic emergency braking, lane keep assist, a head-up display, and a 360-degree camera system—giving you enhanced awareness and confidence behind the wheel.

This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our GM dealership, ensuring it meets the highest standards for safety, performance, and reliability.

If you're looking for a spacious, capable, and feature-loaded pre-owned SUV, this used GMC Yukon XL AT4 is ready for your next adventure. Contact us today to schedule your test drive!
