2021 Hyundai Tucson

Bannister Hyundai’s Certified Pre-Owned program offers extended warranty up to 6 years/120,000 km, 24 /7 roadside assistance, and a 30-day exchange privilege. Enjoy worry-free ownership with rates from 3.99% to 6.29% OAC. (See Dealer For Details)

The 2021 Hyundai Tucson AWD in pristine white, equipped with the popular Preferred Package, offers a compelling blend of style, technology, and all-weather versatility that perfectly suits modern lifestyles. With just under 93,000 kilometers on the odometer, this Tucson is a fantastic choice for anyone seeking a reliable, efficient, and well-appointed compact SUV that stands out both on city streets and rugged roads.

Powering this 2021 Tucson is a responsive and efficient 2.4-liter 4-cylinder engine paired with a smooth 6-speed automatic transmission, delivering a balanced 181 horsepower and 175 lb-ft of torque. The intelligent All-Wheel Drive system ensures confident traction and control in rain, snow, or uneven terrain, making it a dependable vehicle for Canadian weather conditions year-round. Despite its capable performance, this Tucson is impressively fuel-efficient for its class, with an estimated consumption of around 10.2 L/100km in the city and 8.1 L/100km on the highway, helping you save at the pump without sacrificing driving enjoyment.

The exterior’s clean white paint perfectly complements the Tucson’s sharp, modern design language with sleek LED daytime running lights, signature cascading grille, and aerodynamic contours that give it an athletic yet refined stance. 17-inch alloy wheels add both style and stability, while roof rails provide extra utility for carrying gear on weekend getaways or outdoor adventures.

Inside, the Preferred Package elevates the Tucson’s already spacious and practical cabin with premium upgrades designed for comfort and convenience. Soft-touch materials and thoughtful design elements create an inviting atmosphere. Enjoy the power-adjustable driver’s seat and heated front seats, which add warmth and support
