2025 Chevrolet Silverado 1500

*GM CERTIFIED PRE-OWNED RATES @ 4.99% O.A.C

The 2025 Chevrolet Silverado 1500 LT Trail Boss in striking gray offers the perfect balance of rugged capability, modern technology, and everyday comfort. With fewer than 14,000 kilometers on the odometer, this truck is practically new and presents an excellent opportunity for anyone looking for a dependable, high-performance pickup without the brand-new price tag. Its bold styling, with blacked-out accents and an aggressive stance, immediately communicates strength and presence, while the Trail Boss package ensures it's ready for both city streets and off-road adventures.

Step inside, and you'll find a cabin that is as refined as it is functional. The spacious interior is thoughtfully designed, with premium materials and supportive seating that make long drives a pleasure. Chevrolet's latest infotainment system, displayed on a large, crisp touchscreen, puts everything at your fingertips—whether you're streaming music, navigating to your next destination, or staying connected on the go with Apple CarPlay and Android Auto. Convenience features such as remote start, keyless entry, and multiple USB ports make everyday use effortless, while advanced driver-assist technologies provide peace of mind on every journey.

Under the hood, the Silverado LT Trail Boss delivers powerful performance with a V8 engine that's built to handle tough jobs with ease. Paired with a smooth-shifting automatic transmission and a robust 4x4 system, this truck is equally at home towing heavy loads, tackling off-road trails, or cruising comfortably on the highway. The factory lift, skid plates, and all-terrain tires set it apart from standard pickups, giving you the confidence to go further and do more. Despite its strength, the Silverado still offers respectable fuel efficiency for its class, making it a practical choice for both work and play.

Safety has not been overlooked. Equipped with advanced systems such as forward collision alert, lane departure warning, and a high-definition rearview camera, this Silverado is designed to help you stay aware and protected wherever the road takes you. With low mileage, excellent condition, and Chevrolet's reputation for durability, you can buy with confidence knowing this truck is built to serve reliably for years to come.
