## 2025 Chevrolet Trax

Experience the perfect blend of style, technology, and safety in the 2025 Chevrolet Trax 2RS, designed for drivers who value confidence and connectivity on every journey.

This Mosaic Black Metallic Trax LT offers a turbocharged 3-cylinder engine paired with a smooth 6-speed automatic transmission, delivering responsive performance with impressive fuel efficiency. Its front-wheel-drive setup ensures agile handling, ideal for urban commutes or weekend escapes. Inside, premium synthetic bucket seats with heated front options and driver-adjustable lumbar support provide comfort tailored to your needs. The power driver seat and pass-through rear bench add versatility for passengers and cargo alike.

Stay connected and in control with smart device integration, Bluetooth connectivity, and a WiFi hotspot, keeping your favourite apps and navigation at your fingertips. Safety is paramount with advanced features like blind spot monitoring, lane departure warning, front collision mitigation, and adaptive cruise control, giving you peace of mind on busy roads. The rear parking aid and back-up camera make manoeuvring effortless, while heated mirrors and a heated steering wheel add convenience during cold Canadian winters.

Sporty aluminum wheels and a rear spoiler complement the Trax's sleek profile, making it a standout in the compact SUV segment. With remote engine start and keyless entry, this Trax is ready to move when you are, combining practicality with modern sophistication.
