## 2022 Chevrolet Bolt EV

### 2022 Chevrolet Bolt EV 1LT

Efficient, fun to drive, and packed with modern technology, this 2022 Chevrolet Bolt EV 1LT delivers an outstanding all-electric driving experience with zero tailpipe emissions. Powered by a responsive electric motor producing 200 horsepower and 266 lb-ft of instant torque, the Bolt EV provides smooth, quiet acceleration through a single-speed automatic transmission and front-wheel drive. With its agile handling, compact size, and impressive electric range, the Bolt EV is perfectly suited for commuting, city driving, and everyday adventures. The 1LT trim offers a spacious and modern interior loaded with convenience features. Inside, you'll find a large 10.2-inch touchscreen infotainment system, wireless Apple CarPlay & Android Auto, keyless entry with push-button start, automatic climate control, and a digital driver information display. Chevrolet Safety Assist comes standard, providing advanced driver-assistance technologies including Automatic Emergency Braking, Lane Keep Assist, Forward Collision Alert, Front Pedestrian Braking, and Following Distance Indicator. With its one-owner history and no accident record, this Bolt EV stands out as a clean, well-maintained electric vehicle offering exceptional value and low operating costs.
