2018 Nissan Altima

Experience the perfect blend of style, comfort, and reliability with this 2018 Nissan Altima 2.5 SL in sleek gray, boasting just over 107,000 km. This well-maintained sedan exemplifies Nissan’s commitment to quality, offering a refined driving experience that’s both efficient and enjoyable. With its timeless design, the Altima makes a strong first impression on the road, featuring aerodynamic lines, a bold front grille, and alloy wheels that highlight its modern elegance.

Step inside, and you’ll be greeted by a spacious, well-appointed interior that balances luxury with practicality. The SL trim elevates your driving experience with leather-appointed seats, heated front seats, and a leather-wrapped steering wheel. The cabin is thoughtfully designed to provide maximum comfort for both driver and passengers, with intuitive controls and ample legroom that make every journey a pleasure.

Technology and convenience are at the forefront of this Altima. The integrated touchscreen display, navigation system, and Bose premium audio ensure entertainment and connectivity are always at your fingertips. Advanced features like the hands-free Bluetooth system, dual-zone climate control, and intelligent key access further enhance daily driving ease, making errands and road trips equally enjoyable.

Under the hood, the Altima 2.5 SL delivers a smooth and responsive drive with its 2.5-liter four-cylinder engine, offering a balance of performance and fuel efficiency that keeps running costs reasonable. Coupled with a comfortable suspension, this sedan glides over city streets and highways alike, making it ideal for both commuting and longer drives. Safety has not been compromised, with features such as blind-spot monitoring, rear cross-traffic alert, forward-collision warning, and multiple airbags providing peace of mind for you and your passengers.

With just over 107,000 km, this Altima remains in excellent condition, reflecting careful ownership and regular maintenance. Nissan’s reputation for reliability and longevity makes this vehicle a smart investment, offering years of dependable driving without the premium cost of a new car. Compared to competitors, this Altima stands out for its combination of comfort, advanced features, and proven durability, all at a value-driven price point.
