2024 Chevrolet Silverado 1500

Extreme capability meets premium refinement in the 2024 Chevrolet Silverado 1500 ZR2 Crew Cab. Built for serious off road performance without sacrificing everyday comfort, this truck is ready for any terrain and any task.

On the outside, the ZR2 stands apart with an aggressive stance, unique front fascia, blacked out accents, and bold Chevrolet styling. Factory installed skid plates, red recovery hooks, and large all terrain tires highlight its off road focus, while the Crew Cab adds both presence and practicality.

Under the hood, a powerful 6.2L V8 delivers 420 horsepower and 460 lb ft of torque, paired with a smooth 10 speed automatic transmission. Standard four wheel drive and front and rear electronic locking differentials give the ZR2 serious traction in tough conditions. Multimatic DSSV dampers provide exceptional control on rough terrain while still maintaining a composed ride on the road.

Inside, the ZR2 blends rugged durability with premium comfort. Leather trimmed seating, heated and ventilated front seats, a heated steering wheel, and a power adjustable driver's seat create a refined driving environment. The Crew Cab offers generous space for passengers, while smart storage solutions keep gear organized.

Technology is advanced and intuitive. The large touchscreen infotainment system includes Google built in, Apple CarPlay, and Android Auto for seamless connectivity. A digital driver display keeps key vehicle and off road data easy to read, while a premium Bose audio system delivers rich, clear sound.

Safety features help support confidence both on and off the road. Forward Collision Alert, Lane Keep Assist, Blind Zone Steering Assist, Rear Cross Traffic Braking, a rear view camera, and available surround view cameras all work together to enhance awareness.

Rugged, powerful, and highly capable, the 2024 Chevrolet Silverado 1500 ZR2 Crew Cab is built for drivers who demand off road performance without giving up

OPTIONS

- ✓ Air Conditioning
- ✓ Alloy Wheels
- ✓ Backup Camera
