The 2024 GMC Sierra 1500 Denali in striking black with the refined 3.0L Duramax Turbo-Diesel engine and just under 22,000 kilometers represents the pinnacle of modern truck craftsmanship, delivering a commanding presence, remarkable efficiency, and uncompromising capability. From the first glance, the deep black finish paired with Denali's signature chrome accents, distinctive grille, and bold LED lighting establishes a sense of authority on the road. Every design detail—from the sculpted body lines to the premium 20-inch wheels—projects sophistication while hinting at the raw capability within.

Beneath the hood, the 3.0L Duramax Diesel offers an exceptional blend of power and efficiency, producing robust torque for confident towing and hauling while maintaining impressive fuel economy for long highway journeys. The smooth yet responsive performance is paired with a 10-speed automatic transmission, ensuring power is always delivered with precision, whether cruising city streets, merging onto the highway, or tackling a steep grade with a trailer in tow.

Inside, the Sierra 1500 Denali surrounds you with luxury that rivals high-end SUVs. Premium leather seating, real wood trim, and meticulous attention to detail create an upscale cabin environment. The advanced infotainment system with a large touchscreen, wireless Apple CarPlay and Android Auto, premium Bose audio, and integrated navigation keeps you connected and entertained. Heated and ventilated front seats, along with heated rear seats and a heated steering wheel, provide all-season comfort.

Capability remains a cornerstone of the Denali experience, with advanced trailering technology, a high-strength steel bed, and the versatile MultiPro Tailgate enhancing both work and play. The available 4WD system and adaptive suspension deliver confidence on rough terrain while maintaining a composed, smooth ride on pavement. Safety is equally prioritized with a suite of advanced driver-assist features, including lane keep assist, forward collision alert, and automatic emergency braking.

With under 22,000 kilometers, this 2024 Sierra 1500 Denali Diesel offers nearly new condition, ensuring years of dependable performance. It's more than just a truck—it's a statement of refinement, strength, and capability, designed for those who expect the best in every mile.
