## 2018 Volkswagen Atlas

Looking for a premium pre-owned 7-passenger SUV in Chilliwack with 4MOTION all-wheel drive, V6 power, leather seating, navigation, panoramic sunroof, cooled front seats, and real family-sized space? This 2018 Volkswagen Atlas Execline 3.6 FSI 4MOTION is the kind of SUV that should be on your shortlist.

This Atlas gives you the right mix of size, comfort, capability, and premium features without moving into the cost of a newer 3-row SUV. It is a strong fit for families, road-trip drivers, hockey parents, outdoor weekends, growing households, pet owners, commuters who need space, and anyone moving up from a smaller SUV, sedan, or minivan.

If you are comparing a Toyota Highlander, Honda Pilot, Nissan Pathfinder, Mazda CX-9, Subaru Ascent, Ford Explorer, Chevrolet Traverse, GMC Acadia, Dodge Durango, Kia Telluride, Hyundai Palisade, Kia Sorento, Hyundai Santa Fe XL, Toyota Sienna, Honda Odyssey, Volkswagen Tiguan, or another family SUV, this Atlas Execline is worth seeing.

This 2018 Volkswagen Atlas Execline 3.6 FSI 4MOTION has 115,773 km and is listed as Stock #N269-1390A. The value here is simple: premium Execline equipment, 7-passenger versatility, all-wheel drive confidence, V6 performance, and the comfort features families actually use every day.

The Atlas was designed to make family driving easier. You get three rows, seating for seven, an adult-sized third row, easy second-row access, a wide and comfortable cabin, and flexible cargo space for groceries, luggage, strollers, sports gear, school runs, road trips, and everyday Fraser Valley life.

Power comes from Volkswagen's 3.6L VR6 engine paired with an 8-speed automatic transmission with Tiptronic and 4MOTION all-wheel drive. That gives this Atlas smooth V6 power, confident traction, and a composed driving feel in changing BC weather, wet roads, highway travel, gravel lots, winter conditions, and weekend driving.

The Execline trim is what makes this Atlas stand out. This is the premium trim shoppers look for when they want comfort, technology, and upscale features in a 3-row SUV. Highlights include leather seating, heated seats, cooled/ventilated front seats, navigation, panoramic sunroof, Lane Assist, remote start, leather entry, Bluetooth, smart
