2025 Chevrolet Trax 1RS | Sporty Style, Smart Technology & Everyday Efficiency

Turn heads and enjoy confident everyday driving with this stylish pre-owned 2025 Chevrolet Trax 1RS. Finished in a sleek black exterior with a matching black interior, this compact SUV combines sporty RS-inspired design with modern technology, excellent fuel efficiency, and practical versatility. With only 18,211 kms, this used Chevrolet Trax is an outstanding option for commuters, first-time buyers, and anyone looking for a feature-packed SUV at a great value.

Powered by a fuel-efficient 1.2L turbocharged 3-cylinder engine paired with a smooth 6-speed automatic transmission, the Trax delivers a comfortable and responsive driving experience ideal for both city streets and highway travel. The bold exterior styling features 18-inch black-painted wheels, RS badging, a black grille, and signature black bowtie emblems for an aggressive, modern appearance. Inside, the cabin offers cloth seating with sporty red accents, heated front seats, and a heated steering wheel to keep you comfortable year-round.

Technology is front and center with an intuitive 8-inch touchscreen featuring wireless Apple CarPlay and Android Auto, allowing seamless smartphone connectivity without the clutter of cables. A 3.5-inch driver information center and remote engine start add convenience to every drive.

Chevrolet Safety Assist provides additional peace of mind with advanced features including automatic emergency braking, front pedestrian braking, lane keep assist with lane departure warning, following distance indicator, forward collision alert, and a rearview camera.

This quality inspected vehicle has completed a comprehensive professional inspection and reconditioning process at our GM dealership, ensuring high standards of safety, reliability, and long-term ownership confidence.
