2025 Ford Expedition

WE DELIVER ANYWHERE IN CANADA!

Top tier luxury meets full size capability in the 2025 Ford Expedition Platinum. This flagship SUV delivers powerful performance, advanced technology, and first class comfort for drivers who expect more from every drive.

From the outside, the Expedition Platinum makes a bold statement with its distinctive grille, signature LED lighting, large premium wheels, and refined chrome accents. Its commanding presence reflects the strength and sophistication beneath the surface.

Under the hood, the 3.5L EcoBoost twin turbo V6 delivers up to 400 horsepower and 480 lb ft of torque. Paired with a smooth 10 speed automatic transmission, it provides effortless acceleration and impressive towing capability. When properly equipped, the Expedition can tow up to 9,300 pounds, making it ideal for trailers, boats, or large campers. Four wheel drive adds confidence in all conditions.

Inside, the Platinum trim offers a true luxury experience. Premium leather seating with quilted accents, heated and ventilated front seats, heated second row seats, and a heated steering wheel create exceptional comfort. The spacious three row layout provides generous room for passengers, while power folding third row seats make cargo adjustments quick and easy. A panoramic Vista Roof adds light and openness to the cabin.

Technology is cutting edge. A large touchscreen with SYNC 4 includes navigation, Apple CarPlay, and Android Auto for seamless connectivity. A fully digital instrument cluster displays key vehicle information clearly, while a premium Bang and Olufsen audio system delivers rich, immersive sound. Features like wireless charging and a hands free power liftgate add everyday convenience.

Safety is comprehensive with Ford Co-Pilot360 Assist 2.0, Adaptive Cruise Control, Blind Spot Monitoring with Trailer Coverage, Lane Centering, Pre-Collision
