2024 INFINITI QX80

TRAVEL CREDIT AVAILABLE FOR LONG DISTANCE CUSTOMERS!

Full size presence. First class comfort. Confident power. The 2024 INFINITI QX80 ProACTIVE delivers luxury SUV capability without compromise.

On the outside, the QX80 commands attention with its bold grille, sculpted hood, LED lighting, and strong, elegant proportions. It looks powerful because it is.

Under the hood, a 5.6L V8 engine produces 400 horsepower and 413 lb ft of torque, paired with a smooth 7 speed automatic transmission. Acceleration is strong and effortless, whether merging onto the highway or towing. When properly equipped, the QX80 can tow up to 8,500 pounds, making it ready for boats, trailers, or weekend toys. Available four wheel drive enhances traction and stability in changing road conditions.

Step inside and the ProACTIVE trim surrounds you with premium detail. Quilted semi aniline leather seating, heated and ventilated front seats, heated second row seats, and a heated steering wheel create a true luxury experience. The spacious three row layout offers generous legroom, while power folding third row seats make cargo changes simple. A power moonroof adds light and openness to the already expansive cabin.

Technology is advanced and intuitive. Dual touchscreen displays include navigation, Apple CarPlay, and Android Auto for seamless connectivity. A premium Bose Performance audio system delivers rich, immersive sound throughout the cabin. A digital driver display keeps key vehicle information clear and accessible.

Safety is comprehensive. ProPILOT Assist with steering assist, Blind Spot Intervention, Adaptive Cruise Control, Forward Emergency Braking, Lane Departure Prevention, and a 360 degree Around View Monitor all work together to support confidence behind the wheel.

Powerful, spacious, and exceptionally refined, the 2024 INFINITI QX80 ProACTIVE offers flagship luxury with real world SUV strength. Book your test drive with
