2021 GMC Sierra 3500HD

The GMC Sierra 3500HD AT4 is a rugged heavy-duty pickup built for serious off-road capability and heavy hauling. Designed with the adventurous driver in mind, the AT4 trim adds an off-road suspension with monotube shocks, skid plates, and a two-speed transfer case to help tackle rough terrain with confidence. Its bold exterior features all-terrain tires, distinctive badging, and aggressive styling that stand out whether on the worksite or out in the wilderness. Inside, the cabin provides a comfortable and functional space with supportive seating, modern technology like a large infotainment touchscreen with smartphone integration, and driver-assistance features for added safety. With its strong towing and payload capacities, along with robust build quality and off-road-ready features, the 2021 Sierra 3500HD AT4 delivers both capability and confidence for heavy-duty tasks and adventurous journeys alike.
