2013 BMW X1

The 2013 BMW X1 28i in a refined gray hue is a versatile AWD SUV designed to handle Canadian roads with ease and grace. Its all-wheel-drive capability ensures confident driving in various weather conditions while maintaining the brand's renowned handling dynamics.

This X1 elegantly combines practical and stylish exterior features, including the enhanced LIGHTS PACKAGE and the expansive panoramic roof that opens up your view to the skies. Inside, the interior showcases a sophisticated black color scheme, perfectly complemented by a leather steering wheel and high-quality materials, setting the stage for an upscale driving experience.

Equipped with modern technology, the X1 includes features like Bluetooth connectivity, satellite radio for entertainment, and efficient climate control with air conditioning. Safety features such as brake assist and heated side mirrors add extra security and comfort, particularly during the Canadian winter months. The X1's heated front seats offer additional comfort, and keyless entry simplifies your daily routine.

If you're seeking a premium compact SUV that provides both luxury and performance, this BMW X1 28i is an ideal choice. Experience unmatched driving pleasure and peace of mind in this impressive vehicle. Contact our dealership today to learn more and schedule your personal test drive.
