2024 Nissan Kicks

The 2024 Nissan Kicks SV FWD is a smart, efficient, and well-equipped compact SUV designed for drivers who value practicality without sacrificing modern features. With 66,462 km, this pre-owned Nissan Kicks delivers exceptional value, making it an ideal option for commuters, first-time buyers, or anyone seeking an affordable and reliable daily driver.

Powered by a dependable 1.6L engine, this Kicks offers a smooth and nimble driving experience that's perfect for city streets and highway cruising alike. Its impressive fuel economy—approximately 7.7 L/100km in the city and 6.6 L/100km on the highway—helps keep running costs low, making it a smart long-term choice. Inside, the cabin is thoughtfully designed with comfort and convenience in mind, featuring heated front seats and a heated steering wheel, automatic climate control, and Nissan's Intelligent Key system for easy access and push-button start. The 8-inch touchscreen infotainment system keeps you connected and in control, while remote engine start adds convenience, especially in colder weather.

Safety is a key strength, with Nissan Safety Shield 360 providing a suite of advanced driver-assist features designed to enhance awareness and help prevent potential collisions, giving you added confidence behind the wheel.

This quality inspected vehicle has undergone a thorough inspection and professional reconditioning process at our OEM dealership, ensuring it meets high standards for safety, performance, and reliability.

If you're looking for a fuel-efficient, feature-packed used Nissan Kicks that delivers comfort, safety, and outstanding value, this 2024 SV is ready for you. Contact us today to schedule your test drive or visit the dealership before it's gone.
