## 2018 Chevrolet Volt

Efficient, innovative, and designed for modern driving, this 2018 Chevrolet Volt LT Hatchback offers the perfect blend of electric capability and everyday practicality. With one owner and no accident history, this pre-owned Volt is an excellent choice for drivers looking to reduce fuel costs without sacrificing convenience. Its sleek hatchback design adds versatility, making it ideal for commuting, errands, and weekend travel.

Powered by a 1.5L 4-cylinder engine paired with an advanced 18.4-kWh lithium-ion battery, this Volt delivers impressive electric driving capability with the confidence of a gasoline backup—giving you flexibility for both short trips and longer journeys. The smooth and quiet ride enhances comfort, while the spacious 5-passenger interior offers cloth upholstery, automatic climate control, and supportive 6-way adjustable front seats. Technology is front and centre with an 8-inch touchscreen infotainment system, Apple CarPlay, Android Auto, Bluetooth connectivity, and a 6-speaker sound system. Added conveniences like remote start, passive entry, and a Wi-Fi hotspot with OnStar 4G LTE help keep you connected on the go.

Safety is a key focus, with 10 airbags, a rearview camera, and pedestrian safety sound generation to enhance awareness in low-speed electric driving. This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our GM dealership, ensuring it meets high standards for safety, reliability, and long-term ownership value. With its outstanding efficiency and low running costs, this used Chevrolet Volt LT represents exceptional value.

Don't miss your opportunity to own this smart and efficient pre-owned hybrid hatchback. Contact us today to schedule your test drive and experience the benefits of electric driving.
