Premium comfort meets proven capability in the 2025 GMC Sierra 1500 SLT. This full size pickup delivers strong performance, upscale refinement, and smart technology for drivers who want a truck that works hard and feels elevated every day.

On the outside, the Sierra SLT stands out with its bold chrome grille, signature LED lighting, sculpted body lines, and premium alloy wheels. It carries a confident, upscale look that fits just as well at the job site as it does pulling up for dinner.

Under the hood, the Sierra offers a powerful engine designed for towing, hauling, and daily driving. Paired with a smooth automatic transmission, it delivers strong acceleration and confident capability. When properly equipped, the Sierra 1500 offers impressive towing power, while four wheel drive adds traction and control in changing road conditions.

Inside, the SLT trim brings luxury to the truck segment. Leather appointed seating, heated front seats, a heated steering wheel, and a power adjustable driver's seat with memory create a refined and comfortable environment. The spacious cabin offers generous room for passengers, and thoughtful storage throughout makes it easy to keep gear, tools, and personal items organized.

Technology is modern and intuitive. A large touchscreen infotainment system includes Google built in, Apple CarPlay, and Android Auto for seamless connectivity. A digital driver display keeps key information front and center, while a premium Bose audio system delivers rich sound throughout the cabin. Available wireless charging and multiple USB ports add everyday convenience.

Safety features help support confidence on the road. Forward Collision Alert, Lane Keep Assist, Blind Zone Steering Assist, Rear Cross Traffic Braking, Adaptive
